

Hayden Hassan

Writer/Content Creator

ABOUT

I am an aspiring writer/content creator enrolled at Full Sail University. I have written quite a few stories now based primarily in the realm of fiction. I love characters and stories and pushing the limits of what has been told against what could be told is one of my aspirations as a writer. I love my work and can't wait to do more!

EDUCATIONAL HISTORY

Bachelor of Creative Writing (2026-Still Enrolled)

I started at Full Sail back in April of this year. I have written far more than I ever thought I would and I plan to start creating content this fall.

High School Diploma (2017-2021)

I graduated summa cum laude from Natchitoches Central High School. I had a GPA of well above a 4.0 because of my honors and gifted courses.

Junior School Diploma (2003)-2006)

I graduated from Marthaville Junior High School top of my class. This was actually back before I realized I wanted to become a writer.

WORK EXPERIENCE

Writer/Content (2026-Present)

I have written numerous stories over the last few months at Full Sail. I am strong when it comes to fiction and have a wellspring of drive to create. I will begin making YouTube videos in the coming months to share and grow my work.

Retail Associate (2024-Present)

I have worked at Walmart in Many, Louisiana for almost two years now. I have work well with customers and am extremely flexible when it comes to temperament and problem solving. Working at Walmart was never something I wanted to do, but I can't say I haven't grown from the experience. Learning to communicate with the general public and talking to all kinds of people might be one of the most important skill sets you can have. I have had several opportunities to promote at Walmart. However, I declined them because my work at Full Sail is more important to me.
